“ Your mom and dad were so dear to our family over all the years. What a treasure it was to have them as life-long friends. We are thinking of your family and wish you God's peace. Hugs and love to you, Rick, Karla and Steve from the Neevel family (Bud, Eddie, Anne, Larry & Clair and families).

“ I am so sorry to read of your Mother's death. She was a beautiful quite lady as my memory serves me.

It was in 1968 that I met Clare and Jean at the Game Departments Fish Hatchery in Chelan as Tony would have to go from Walla Walla to Chelan often. Being newly weds I would often ride along with him. And so I am Carol, the wife of Tony Eldred. Tony always had fun times with your folks. I will always remember the grounds as being kept in pristine condition. And the meals I shared with y'all was fun and homey. Jean was a fantastic homemaker and cook.

To help you, in case you don't remember Tony. He worked for the Game Department/Fish and Wildlife for 55 uninterrupted years of service to the fish. When Roy Strickland was killed in 1974 Tony fell heir to Roy's job. He retired in 2011 and died in 2017. I am pretty sure those guys have had more than one good fish story to tell around God's campfire. And now that Jean has joined them they should have some pretty good eats as well.

May your Mom Rest In Peace. Blessings to all of you.

Love,
Carol J Eldred
