“ I saw you every school day for years, watching out for the kids getting out of school. You were, of course, the best after-school para professional ever. You made me feel wonderful, that someone was watching my child leave school.

You never wavered; you were always "ON" from 3:00 pm to 3:30 pm. You were never distracted by others; always looking left and looking right, to be sure all the little kids were safe.

I told you many times how much I appreciated you, and I brought you flowers. Jerri Lee, you are the best!

“ I am so sorry to hear about the loss of Jerri Lee, I have many child memories with her and her sisters. We shared 12 years of school together and had many weekend overnights. Her mom would always tell her to mind her Nanners. We would always laugh thinking she was crazy... As kids would do. My condolences to your family!
