“ I first met Jody and Jack in 1991 when I moved into the house next door to theirs. As a young single mom, I really appreciated their friendship. What great people and the best neighbors I've ever had. Rest In Peace Jody and my most heartfelt condolences to her family.

“ I didn't see Jody often but every time was memorable that's for certain. Her sense of humor and "tell it like it is" approach to life were a joy. I just finished watching her tribute video and from that it is apparent how much she was loved by her large family - husband, children, grandchildren and great grandchildren. Condolences to all the family, especially fellow Old Goats Kyle and Mike.

“ Jody was one of my favorite customers serving as her health insurance agent for many years. She and Jack were/are always of good humor and they loved to tell jokes when I visited them for our annual reviews. She deeply loved Jack and respected his opinion in their decision making. I always sent her birthday cards and her 90th birthday card I sent her was so funny that when I turned 70 she sent me an outrageously funny birthday card. It is hard to believe she is gone. I thought she would live way past 100 and I am sad that her physical presence is no more. I will always feel her humorous spirit when I drive by their home, no matter what. I know Jack and her family will deeply miss her.
