

Logan James Richard Miller

June 16, 1995 - September 2, 2014

It is with the heaviest of hearts we announce the passing of our son, Logan James Richard Miller. Logan died from injuries sustained in a motorcycle accident on Tuesday, September 2. He loved to ride and be out in the wind where it gave him time to think and be independent.

Logan was born on June 16, 1995 in Brewster and was the long-awaited boy in the Miller family. As a young child, he was a comic, entertainer, and adventurer. His smile melted your heart and let him get away with more than he should have. He loved to go on the family vacations, run through the Redwoods, and swim in every pool he could. He got his first motorcycle at 10 years old and also passed his hunter education that year. He had a passion for shooting and enjoyed the outdoors. In second grade, he started AAU basketball with his classmates and played on incredibly successful teams for the next seven years. In high school, he was able to play junior varsity for his father. He was a four-year letterman in track and received the Coaches Award his senior year. He was a member of Honor Society and FFA and took college coursework and AP classes his senior year. He and his best friend, Brandon Medina, went on many adventures and camping trips and had big plans for college and beyond.

Logan is survived by his parents, Rick and Cindy Miller, sisters Sara and Caitlin Miller, Grandparents Rich and Joan Miller of Roslyn, Grandparents Cliff and Yvonne Mathews of Omak, Grandfather Bill Windle of Brewster, Uncle Tony Windle and cousins Kristen, Ryan, and Tyce of Brewster, Aunt Rosalyn O'Donnell and cousins Coulson and Brynne of Ellensburg.

Services for Logan will be Sunday, September 7, 2014 at 1:00 P.M. at Brewster High School. In lieu of flowers, the family asks that you make a donation directly to an animal shelter or humane society of your choice.

“ Beautifully done , a wonderful tribute to an amazing young man who had a never ending smile . Logan you will always be remembered and loved by so many thank you for giving me the pleasure of knowing you for the short time I did. You always had respect, kindness and compassion when you talked with me . I enjoyed hearing about school and your prom and the many adventures you had been on in your short life.. I remember your words to me when I asked what will your mom do without you when you go off to college? you looked at me with that smile and said "the question is what will I do without her" that statement melted my heart.. your a special boy ..My thoughts and prayers will be with your family Logan RIP my friend .

“ Logan, you will be missed by so many. May your memories live on in our hearts. Even though I didn't see you grow up to be the fine young man that you became, I still thought of you. Tyce and Ryan would share their adventures they had with you. Rick, Cindy, Sara and Caitlin, my heart aches for you. May you find inner peace and let Logan's memories live on in your hearts.
