

Allen Eugene Anderson

July 1, 1947 - April 16, 2018

Allen Eugene Anderson, also known as: Allen, Al, Uncle Al, and Papa, went to be with Jesus. He died unexpectedly on Monday, April 16, 2018 at home in Chelan doing one of the many things he loves; working on his travel trailer. He was 70 years old. Born on July 1st, 1947, in Wenatchee to Gene and Ruth Anderson.

He was brought up in Manson, Washington. He was the oldest of four brothers. He attended Manson School district and graduated in 1965. During school, he was active in FFA. He enjoyed hunting with his Father, brothers, and friends.

Following high school, Al enlisted in the United States Army, where he proudly served for three years; two years in Fort Sill, Oklahoma, followed by one year in Phu Bai, Vietnam, after which he was Honorably Discharged and returned home to Manson, where he worked in the apple industry for many years.

During that time, he married Mary Bullemer and had two daughters.

On September 6, 1986, Al married Stephanie Thompson, the love of his life, bringing her to Chelan, where they spent the last 31½ years. In 1987, Al began his career as an Emergency Medical Technician through Lake Chelan Community Hospital, where he faithfully served his community for 25 years as an EMT until his retirement on July 1, 2013. Al continued to be "on-call" for his community the remainder of his life by serving his friends, family, and community in various capacities.

Allen valued being prepared and respected men who shared the same values

in providing well for their own families. Al was rich in values and personal beliefs. He was proud of his daughters for choosing husbands who live life the same way.

Allen enjoyed spending time outdoors snowmobiling, wood-working in his shop, and camping. Above all, Al and Stephane enjoyed spending time with their daughters' families and spoiling their grandchildren.

Papa is survived by Grandma Stephanie; his daughter Jennifer and her husband Mike Workman; his daughter Jessica and her husband Sean Musser; and "us," the spoiled grandchildren:

Calvin, Michael, Grace, Lauren, Max, and Dane.

Al is also survived by his brother, Alvin Anderson and wife Susan; his brother Frank Anderson and wife Lisa; as well as numerous nieces and nephews.

Finally, Al is survived by his biggest fan and most loyal companion ... Elle, the neighbor's dog! Al was preceded in death by his father, mother, and youngest brother, Gary.

A celebration of Allen's life will be held Saturday, April 28, 2018 at 10:30am at Chelan High School Performing Arts Center. Reception to immediately follow in the school commons.

Donations can be made to the Living Stone Church building fund and/or Lake Chelan Community Hospital EMS.

“ Allen has to be one of the most genuinely kind person I've known in my entire life. I looked up to him as a child....respected his kindness and generosity to me....and loved his humor and friendship as an adult. Allen lifted people up and saw more good in most of us than we probably really ever deserved.

Mostly, I am forever grateful for the true friend that he was to my father. That is a rare gift that I know my father cherished until his death.

Stephanie, Jen, Jess, Mary and the rest of the family.....I'm so sorry that he is gone for now. But...I know...and believe that he is in a beautiful place, waiting and hoping to see you there too one day. Much love to you all from Billy, Chris, Nick and I.

Many of your Alism is imbedded into my memory, so in a way, I will carry you with me always! I want to say thank you for showing me what a true gentleman looked like! I have to say, I honestly had never met one before. I mean I would wear my pearls, in my EMS uniform, put my hair up and wear make-up, just for you! That's how much I valued your character.

I have had many people in my life, come and go, but you sir... you might be one of the most memorable. Your integrity, values and professionalism is very admirable. So thank you!

I will miss you Big Guy! And no worries....we will watch over Stephanie for you!

“ I worked with Allen at Regency and he did a wonderful job. He was a wonderful friend as well. I specifically remember him helping me with my very sick dog, Princess. He helped me do what I couldn't that day. He was kind to the residents and took care of the building. The roses were in great hands. Stephanie, my thoughts and prayers are with you. I know how hard it is to lose a mate. God Bless you. He was a true Chelan/Mansonite and loved his community.

There are no words that can express the impact Al had on my life. He was both a mentor to me in my EMS career and a true friend. I have so many fond memories of working with him and I'm just so sad that he is gone. Stephanie and family, my prayers and thoughts are with you daily. We truly lost a "good guy."
