“ *miss seeing you every day at work....you joking with Josie, keeping an eye on Josie, Melissa, lil Maria, and Monsi when they were expecting...sharing your lighter with the seg boys when they were missing theirs...listening to you and George talk guns and hunting, and our chats about horses, cattle, and whatever was on our mind at the time. enjoy the lands across the Rainbow Bridge...happy you are not hurting, but will miss seeing you about...*

Cheryl Fernyhough - July 15, 2017 at 10:54 AM

“ *buddy i will miss you lot ,you was good friend and good coworker , I will mist visiting with you . I will always remember you .*

manuel sanchez - July 15, 2017 at 10:38 AM

“ *sorry for your lost .he was friend that loved a good laugh and a fresh fall morning during hunting season .*

George wessling - July 14, 2017 at 05:17 PM
