“ *My deepest condolences for the loss of your loved one. May God's promise that mourning or any pain will one day not exist any more, at Revolution 21:4. (A better place)*

“ *My condolences to Ann Mary's family. I've only known her since October, 2015, but I was struck by her deep kindness to her dogs and her dedication to her crop of apples to make them the best she could. She was also a good neighbor since I met the neighbors next door. I wish I had known her for a longer time.*
