Graduating from Tonasket High School in 1948 she was the oldest of seven children who would graduate from that high school. In 1949 she moved to Brewster and married Roy D. Weldon where their four daughters were born and raised. She is survived by her daughters and their families. A special cousin and her husband, Sheila and Gordon Horner of Omak, also survive her. She also had a special place in her heart for all of her nieces and nephews.

Annabel loved her work in the apple industry and worked many years for her dear friend Jack Groenveld. In later years she was known for her “pie maker extraordinaire” skills when she made pies for her daughter Margie’s restaurant, Lindsey’s Drive In in Brewster. People always brought her fruit in hopes she would make them a pie.

She was proud to be a democrat and until the very end supported and loved her democratic candidates. In the 1960’s she was the President of the Brewster Chapter of the Democratic Women’s’ Club. She worked hard to support her people.

Annabel was a member of the Brewster Assembly of God Church and loved the people of the church. She enjoyed Sunday services and the people who attended.

She was preceded in death by her husband, Roy Weldon, her mom and dad, and brothers Elijah and Kenneth (Wayne) Combs and her dear sister Faye Lorz.

There will be no services at this time due to the Coronavirus but we will have a celebration of her life in the Spring or Summer when things get less crazy!

“ This is Dalton and Jean's granddaughter, Delissa's daughter, from AR. I remember two visits from Annabel when I was a little girl. I thought she was the sweetest lady. I wrote her letters and she always replied. I was so happy to get her sweet cards in the mail. She will truly be missed. - Emmilyne Qualls
