“ I met Bobbi in 1965 at WSU. After graduating, we were roommates in Bellevue Washington. I visited her at Lake Tahoe when she was first dating Steve. We maintained a friendship through calls and occasional visits after their move to Manson. I have so many fond memories of fun times with her and will never forget her bubbly, personality and warmth. I just learned of her having a health concern and now have learned of her passing. My heart goes out to Steve and her family. she will always have a special place in my memories. 💕🙏😭
