“ I'm sorry to hear of Brad's death. If this is Bradley James who formerly lived in Cedar Rapids Iowa and Danville Illinois, I'm Jim, his cousin who lives in TN. I'm ashamed to say that we have been out of touch for a long time, ever since he moved to Washington State. If you would, please share some details, please. My last remembrance of him was taking him to the bus station after a visit he had with my wife and I in Knoxville probably in the late 70's over the Christmas and New Years holidays.
