“ *My first recollection of Brian was when he walked into my grocery store in Manson, making me nervous as i was sure I had been speeding from Chelan back to work, but Martha McClellan assured me he was just wanting to meet the new people in town so he could be of help to us if he saw us stranded at any time. His warm smile and hardy handshake was welcoming and as the years passed he became a good friend. His trials were ours and we loved him and his family as our own. When Dawn became his soulmate we knew his life would be blessed. Will be looking forward to his handshake once again.....*

“ *My first memory of Brian was at Apple Blossom, when he and my sister Dawn were dancing. I had not seen her that happy in a very long time. I love Brian's sense of humor, and the pride he took cooking on his Traeger grill! Thank you, Brian for loving Dawn and being a part of our family. I know I will see you again! Love you!

*Brian was a very loving son-in-law and will be missed so very much. He was a very loving husband to our daughter Dawn and a proud and loving father to his daughter Hannah. He was a very special loving and helpful stepfather to Andy, Casey and Kramer. His granddaughter Roslyn was the apple of his eye. We will miss him so much but know we will see him again someday in a better place.*

*We will miss Brian every day. When someone would ask who I was. Like the Docs, I would always say, " I am his other wife". Loved working with him on the Marine patrol, esp the training we did. He had a way of making us all laugh and smile. Love you Brian.*
