

Brock Christian Gibson

May 30, 1965 - December 9, 2024

Brock Christian Gibson passed away peacefully on December 9, 2024, at the age of 59, after a six-year battle with cancer. He was surrounded by the love and comfort of his family. He kept his unwavering faith in God and his witty humor until the end. Brock was born in Chelan, WA on May 30, 1965, to Steve Gibson and Adrienne (Morehead) Gibson.

After Brock graduated from Manson High School in 1983, he earned his Associate's Degree from Wenatchee Valley College and then, became a journeyman electrician for over three decades. In 1995, Brock met the love of his life, Tanya Jones. They created a loving home in Manson and raised two children together, Bret and Kristen Gibson.

Dad had a tender heart for dogs and the family always had a canine companion at home. He loved taking his kids for drives in the mountains, family trips to go bass and crawdad fishing, and dirt bike rides. He raced motocross when the kids were young and the family would camp out to watch him. Family memories were made on Sundays, watching the Seahawks together. Dad shared his knowledge and love for football with both of his kids. A lover of outdoor sports, he was an expert skier who skied terrain that only the bold would dare. He was an avid hunter and loved windsurfing. His favorite places were the mountains and the ocean.

In the last two years of his life, Dad was blessed to be promoted to Grandpa. His grandchildren were his world. He would do anything for them and loved his time with them. His family is going to dearly miss his quick-witted, dry

sense of humor, and his wealth of knowledge. He knew Jesus well and had a trust in God.

Brock is survived by his mother, Adrienne Carpenter; stepfather, Keith Carpenter; best friend, Tanya (Jones) Gibson; son, Bret Gibson (Cayla); and daughter, Kristen (Brian Moy); grandchildren: Sloane Christian Gibson and Niall Brock Moy; sister, Lindsay Gibson; and many aunts, uncles, and cousins; who loved and cherished him.

There will be a Celebration of Life for family and close friends at a later date.

“ To Bret and the entire Gibson family..I am shocked and saddened to hear of your dad's passing. He and I met as first year students in the WVC Ski Program!!! Your dad was one of the good guys!! I will always remember our times spent together going thru the program. Lots of crazy fun times. I hung out with one last time in Coulee Dam, where I am from. Was at a wedding for guy who I used to babysit. Your dad approached me and got my attention. I was caught off guard seeing him in Coulee. He had recently punched his Journeyman ticket. We talked about getting together in the future but life happens. Your dad was an amazing man and friend to me long ago. I also knew you when you were very young, You were your dad's pride. My deepest condolences to you all. Cindy Overman- Covert

“ Dear Adrienne and Keith-I read in the Mirror tonight that your son Brock has passed into Eternity with his Lord and Savior - Jesus. Oh Happy Day When Jesus Came Brock's Way!!!!I never knew him, but knowing you and how much I have admired you, with our common connection of the Buckners, and O'Neal's, and our Stehekin, I wanted to write to you and tell you, that the Lord has had you on my mind and my heart for quite sometime now; AND- now I know the WHY!. I just kept praying for you. I had asked the Lord if it was something to do with Keith- and he said no. Therefore I was greatly relieved!!! I knew with Keith by your side, you would be in good hands. I will keep you in my prayers. I am so very thankful that you will get to see Brock again! There is great comfort in knowing that. I am sending you a big hug, and Keith- give her a big hug with skin on from me! Blessings to you both - Terrie O'Neal
