“ Skip was a GREAT friend over a lot of years, whenever it was his family moved to Chelan, age 15 maybe. We were kindred spirits on different paths, crossing through time. After my folks moved to Portland in 2008, he became a valuable steward of our property. Along with my Dad, Al and Mike Boyd as a team, we knew how to get things done there with fun and satisfaction. Yes, as Terry proclaimed, the Class of 1969, and the City of Chelan, lost a good guy and a good friend. With his perpetually dark hair, I figured he would last to at least 110. Sorry to have you go, Skip.

“ Always enjoyed Skip's quick wit and great sense of humor. We both needed it the time we rolled a car on Blewett pass on New Year's eve in the early 70's. We were lucky. I think I still owe him the ten bucks he lent me to go scuba diving in Edmonds. He was a great team mate in high school and I had a lot of respect for him. The class of 1969 lost a good guy and a good friend. Miss ya Skip--Terry Richards
