I never had the privilege to get to know Carlos. His little girl an mine grew up together, from Trout daycare to graduation. He was always w/ a hand shake an a "Hello, how are you?" when I saw him at school events through the years. He had a strong an gental love for his daughter. Something that was awesome to see.

I just learned of Carlos' passing and I am deeply saddened and my thoughts and prayers are with his beautiful family. The world lost a very good man. I got to know Carlos and Claudia while I cared for their daughter at The Trout daycare. It was evident how deeply loved and well cared for she was. I would later run into Claudia (at Walmart) with their 2nd child and often see Carlos while working out in Chelan at the gym. He always had an easy smile and let me know how his family was doing. I don't know if words could adequately describe the true kindness felt by having a conversation, a hug and catching up with them. Their was a strength in character and hard work ethic in all of them. He will be greatly missed I am sure by all who had the pleasure of knowing him and my thoughts and prayers are with his family. Tanya Gibson

“ Carlos you've been a true and honest friend through many years. always in a good mood and always ready to help with anything, thank my old friend, one day we will see each other again. Mike Noble

“ I'd see Carlos at Kelly's Hardware almost every other day. Always with a smile on his face, ready to talk about how things were going to ask how we were, and to give some the occasional hard time. He really care for his friends, you knew just by talking with him that he was a hard worker most of his life.. and that the orchard meant something to him not easily put into words. I am glad I had a chance to consider you a friend.

“ I met Carlos when I worked at the fitness center. I was always amazed how strong he was. He also helped me find sources for firewood. We often ran into each other at MOE school events. Along with his great sense of humor, Carlos was genuine and one of the nicest people I have ever met. I am saddened by his passing and send family and friends condolences. Lee Tinsley

“ I met Carlos many years ago when he worked for my nephew (Jim Walker) and it seemed like we hit it off right away, I'll miss his visits at Lone Pine catching up on things. Carlos was the one that would drop everything if you needed help. Prayers for his family, he will truly be missed. Gary, Donna and Rodney Reed
