“ Momma I know ur not hurting anymore which is great relief. I know u are now with Jason and ur dad which u couldn't wait to meet up with them. Our hearts hurts and the house feels empty. Please watch over us. Please keep holding daddy's hand, he loved u unconditionally. U are being missed by ur cats Morris and Kramer and of course our dog Stella. Make sure u keep an eye on them and make sure they don't get out of hand. Ur Grandkids are sure missing u too. They asked if u are with their dad and we told them yes. Well momma I love and miss u so much. Love u Ams
