“ *My heart will be with Rick, Mitchell and Matthew forever. I met Chris in 1979 and we became best friends instantly and for the first 21 years the Plueger family and the Feeley family were always together. Chris was a true friend, no judgment, always love. She was and is rare in her kindness, love and caring for all she came in contact with. I could always count on her and she is always with me and I think of her everyday. I miss her and know that I will be with her again. To Rick, Mitch, Tonja, Matt, Fran, Her sister and sister's family, her brothers family, all the Pluegers and anyone not mentioned in this short message I love all of you and am so sorry for the loss on this earth of Chris. There will never be another friend, mother, wife, sister and daughter that comes close to Chris Thoughts and prayers to all and as we know we will be with her again.*

Love Joyce Feeley

“ *My deepest sympathy for your loss. My heart is heavy thinking of you all . I will cherish my wonderful memories of Chris as we navigated our youth . She holds a special place in my heart as my lifelong friend. The kind of friend you always know would be there..even after years without seeing each other! Such a bright light and beautiful soul. My thoughts and prayers are with her family now.*
