

Clinton Louis McCoy

February 21, 1948 - January 28, 2015

Born February 21st, 1948 in Longview Washington to Saul and Vera McCoy: died January 28th, 2015 in Pateros.

Survived by his loving wife of over 43 years Carol, children; Richard Massey, Lisa Moore, Katrina Bailey, Marcus McCoy, and Derek McCoy, grandchildren; Mitch, Cheyenne, Brittany, Sam, Brad, Ally, Taylor, Brendan, Cameron and Chloe, great grandchildren; Alexa, Rylan and Evaine; brother Greg McCoy and a very large extended family and many friends.

Clint grew up in Rose Valley and attended school there. He married Carol in 1972 and three years later moved to North Central Washington. Clint was a farmer and worked for Dee and Vada Poirier in their orchards for over 25 years. Like most farmers, Clint was a hard worker. He showed his family there is great value in hard work and that hard work pays off. He taught his children to push through when times were tough. It was those values his children comprised in their lives that made Clint a proud man.

Clint loved being outside and sharing its splendor with Carol and all of their wonderful pets; Danger, Theo and Foxy to name a few. Clint took full advantage of all the great hunting and fishing Central Washington had to offer him.

When not working, Clint and Carol traveled quite a bit during their summers together. They treasured kite flying at Long Beach. Clint was a great man and he will be missed.

A viewing will be offered on Friday February 6th; from 3:00 p.m. – 7:00 p.m. at Barnes Chapel in Brewster.

A graveside service will be celebrated Saturday February 7th at noon at The Pateros Cemetery

He loved his children very much. I knew him as a man of contrast. Within himself he carried a very deep pain but had the strength to overcome and truly had compassion and love for others.

I've loved you Oog since you were a little boy who played baseball for Rose Valley Little League. You were 10 and I was 16 and your brothers girlfriend. You little brothers always stole my attention when Kenny brought me out to Rose Valley. You will forever be in my heart. Ruth

When my sister, Pam Fernandez met Hub McCoy, the McCoy's became my other family. I was only 9 then but those were my first memories of Oog. Hub and Oog spent a lot of time at our house back then. We moved to Portland and then Hub passed so I didn't see Oog so much for a few years. Pam moved back to Kelso later so I got to hang out with the real Mcoys again and of course the Howard's and the Newton's. Unfortunately funerals within the family were some of the times we would get together. However there were many family reunions, birthdays and get togethers too. It was always so good to get to visit with Oog. Sometimes it would be a few years but we always caught up on our family business! I'm deeply sorrowed in my heart for his untimely passing but I know he is in a better place. My sincerest sympathy and love to Carol, Marcus and Derek. I stand with all the family in this time of sadness. <3 Kim

Wonderful remembest of Oog, for years I would see him and his family when he came to visit his beautiful mom. I grew up with the older, Howard's, Newton's and McCoys, my Aunt Ruth married into the family. I came with her along with some others. I new the younger ones too. I pray the Magnificent Father holds each one of you in his loving arms, rocking each one of us.

“ *Uncles have a special role. Not being a father they can be a friend and a supporter in a different way than anyone else in our lives. They are both a relative and a companion, one of the few people are able to be both. Whether they are seen at family get togethers, holidays, special occasions in our lives, the loss of an uncle is a hard one. Their loss, however is filled with years of happy memories we had, and that special connections that only belongs to uncles... love the Newton girls...*
