“ *Connie and Kids.. I don't know when you will see this. We were just in the Trout Creek area and heard about Cole's accident. Words don't even begin to express the sorrow we felt at Cole's passing. We have so many memories of him. He was such an inspiration to all three of our kids as their Little Guy Wrestling Coach. May God hold you in his hands during this time in your lives. Cole will be greatly missed. Can't even begin to imagine how many lives he touched. Rest in peace Cole you were one heck of a man.
