“ *I'm so sorry to read about Colin and that I hadn't remained in touch. He was my first boss when he hired me to work with him at MultiCare in 1983. He was a kind boss and he would be sure that I got to work safely when he would drive me on snow days. He always spoke kindly about Betty and his daughters. I'm a better person for having known him.*

“ We are very sorry for your loss. We were lucky enough to know Cor through his daughters and son-in-law. It was never dull with Cor around - he always had a project in mind or some kind of bee in his bonnet that he wanted to get done. We are sure he is already tinkering on his first project in Heaven. “ We are sorry to hear of Collin's passing. Yes, he was a member of good standing at the Brewster Bridgeport Pateros Senior Center. That is where Larry and I met Collin and Betty. Wonderful people. Please accept our condolences to one and all. Kathy Lowry/Larry Bundy
