

Dean Arthur Russell

April 13, 1931 - April 27, 2022

Dean A. Russell of Manson passed away peacefully at St. Joseph Hospital in Bellingham on April 27th, 2022, after a short illness. He had celebrated his ninety first birthday two weeks earlier. Dean was born April 13th, 1931 in Chelan to parents Arthur and Olive Russell. He grew up close-by in Manson, attending school and graduating in 1949. Dean proposed to Charlotte (Roe) Russell by letter and sent her money to buy a ring while she was working in Washington DC and they married on November 26th, 1954 in Manson. They continued to live and raise their family there and were married for 63 years until her passing in 2017.

Dean was an apple orchardist and Trout member until his retirement. He lived in the same Manson home since age 8. When Dean was 17 he spent a year in Yakima hospital with Polio. He always enjoyed spending time with family and friends, especially at the Lake Chelan cabin in the summers. Dean enjoyed playing cards, boating and relaxing to watch a Mariners or Seahawks game.

Dean is survived by his children, Jim Russell, Manson and Joni Russell, Lynden and his grandchildren: Jesse Russell and Jana Russell. He also has many nieces and nephews.

The family would like to thank his friends for keeping in contact throughout the years, Jorge Espinoza (his buddy), Brian Strausbaugh (his coffee buddy) Jack Ward (classmate and best man) and Lyle Smith (classmate).

The Russell family plans to celebrate the lives of Dean and Charlotte together

at the family lake cabin in August. Please leave your thoughts and memories at www.prechtrose.com. Services are entrusted to Precht Rose Chapel of Chelan, WA.

“ *Condolences to the family - would have been nice to have been notified of his passing as he was still our uncle, but this is what I expected as we never were notified of our aunt's passing as well.*

“ *Dear Russell Family,*

Dean and his brother Paul were some of earliest Tilly Equipment customers in the Lake Chelan area. They were outstanding growers and very pleasant to do business with.

Later I met Charlotte and I appreciated her and Dean's support when I became a Legislator.

They were both True Blue Manson Trojans!

Sincerely

Earl Tilly

“ *Jodi & Jim & Family You have our deepest sympathy losing your
Father & Grandfather.
Also losing one of my Friends I grew up with, went to school
together for 12 years. I was Best man at He & Charlottes wedding.
Remembering what it took to hide their get away car so they could
go on their honeymoon. Those were the good old days with many
memories of our time in Manson & Lake Chelan. Now he is looking
down on us with love & memories of Family & Friends. You will
always be in our prayers.
