My Uncle Dennis was a great Uncle and best friend to me for many years. So many great memories.. Dennis loved Jesus and was such a loving and caring Husband to his Wife Chris. He had such joy on his face and even more when He accepted Jesus into his Life at the Dallas Holmes concert. I knew He was a Christian because of his actions and fruits of the spirit. I loved playing basketball, football, and even just playing catch. We all loved watching the Andy Griffith's show together. I enjoyed playing carrom with Uncle Dennis, He would say, no mercy! He didn't let us win and I'm glad because when I did finally win it was huge. Another nice memory was often timed when I got home after working at Chelan Safeway, Dennis would be outside in his maccosons working the lunch wagon and he would day,good morning John, you want a chimi? Well I have written a book..understandable though. I remember playing basketball with Uncle Dennis and my Brothers in Brewster and also Chewelah and Colville. I had those great memories with Uncle Dennis for that day, the day after that and for the rest of my life. I'm with you in spirit Aunt Chris. Love, John. I remember in Chelan when I tried to hide Dennis's cowboy hat.

“ Dennis was always one of my favorite cousins. he was 14 years younger than me so we only got to hunt together with him, his brother Joe. dad, Uncle Jimmy and my family after I was away at college. His wife (Chris) was always at his side as he battled to recover; she is a great example of love and commitment. Happy I got to know her during there U of W hospital stay.

“ Dennis was the greatest of men I've ever met. His love of the Lord and Faith in Christ were evident in his demeanor and the way he lived his life. He loved sports and played football, basketball, and baseball with myself and my two brothers. Dennis also took the time to be a mentor, teacher, and friend. He took us hunting, fishing, and camping often; he truly loved nature, the outdoors, and animals. He was one of the strongest, yet gentlest men. Your memory will never be forgotten Dennis. "His lord said to him, 'Well done, good and faithful servant; you have been faithful over a few things, I will make you ruler over many things. Enter into the joy of your lord.' " Matthew 25:23

“ I was in the same grade with Dennis at Brewster High School. Over the years I would run into him at Walmart where he was delivering Ice. Dennis was always kind and respectful towards me, I will miss his beautiful smile.

“ We are sorry for your loss. Dennis was our Brother-In-Law. We enjoyed our visits with him and Chris over the years. He was one of the most generous and unselfish people we knew. He had a quiet way about him and a great subtle sense of humor. In his last days he said he wanted to be a winner. He definitely was a winner. Our hearts go out to Chris and his siblings. RIP Dennis, we love you. Margie & Brian Flannigan 🙏

“ My brother Dennis is one of the most caring and considerate individuals. Dennis and I had a true friend relationship. We spent a lot of time outdoors exploring.
I will always cherish the memories of our time together.

Dennis enjoyed life, worked hard and lived life with integrity.

Meeting others needs was a natural joy to him.

I miss him so much; it is going to be so hard to not be able to call and chat with him.

I am looking forward to spending eternity with him!

I Love you Dennis!

Going to miss my baby brother but he is at peace.

Joyce Wick - December 24, 2022 at 12:51 PM

Sorry to hear about Dennis. Condolences, Joyce. What a brother you had there. He was the "Gentle Giant" kind of man. I appreciated him as a classmate for his kindness to everyone. Some fun memories made with him - Donkey Basketball, hanging out at that tiny place he had in Brewster (1979-80), "Coyote come alive from the trunk at lunchtime (1978). Seems like he had a happy life, with a great family and friends. Much respect. Kevin C.
