“ *Derik was a good man. He broke me out in the construction field many years ago when we worked at Pipkin Construction on a project in AZ. I got the opportunity to get to know him and “Bobo” . Good men they were. Godspeed to you Derik. To his family, I am truly sorry for your loss.*

“ Janice and family,  
I remember Derik as a little boy, tagging along with his big sister Deanna. He was the only male member of the Darlington grandkids at that time.....just all girls so he was a little spoiled by everyone. He was such a sweet little boy, I am so very sorry for your loss. Prayers to you and all your family. Peace be with you.

“ As a teacher at Pateros, I enjoyed Derik. Some 25 years later, he did excavation work for me. He had a strong loyalty to old friends, and his word could be trusted. I'm sorry to see that his has passed.

I recall a Scroggie class when we exchanged notes, and I had Derek laughing his butt off. We both got booted to the principal's office. Not the first or last time for either of us. I have too many stories. My prayers and condolences to the family. We go too far back.
