“ To the skaggman family, My name is Beck Marlow and I also worked at North Pacific Bank/heritage Bank with Donna for a few years.
My memory of Donna is taking an Hawaiian cruise with her in 2007. She took us to a couple of grave sites trying to locate ancestors.

Praying the Lord will bring you comfort and these difficult days bringing to mind all the good memories.

“ Dear Jim and family my name is Mary Ellen Van Sickle I worked at North Pacific Bank/Heritage Bank with Donna for many years. With other employees we had lots of fun get togethers. Once at Donna's place in Puyallup we had a fun lunch and Donna house was all decorated in Hawaiian. She had artificial Leis for us to wear, we all brought a dish to share. Wonderful get togethers.
When Donna moved to Chelan we lost touch. So thankful that Donna's daughter Katie contacted us.
So sorry to hear of Donna's passing you and your family are in my prayers and thoughts. Regards Mary Ellen
