“ *Rest now Aunt Doris, It was time for you to go home to be in Uncle John's Loving arms.. I always had so much fun in Manson with you both and I am still a part time rock hound still using the skills you taught me when I was young. I am sure God has a place there for you and Uncle John to rock hunt together again... Rest now, you are home...*

“ *Doris was a special woman to me and my family. She was officially my godmother but unofficially my grandmother an overall female role model. She taught me so much about how to be an independent and strong woman, and how to be sharp witted and flirty :). I love her so much and miss running down the hill to hang out at her house. Forever in my heart - Barbie*
