

Edward Eckberg

May 12, 1936 - February 26, 2023

Ed Eckberg was taken home on February 26, 2023. He was born May 12, 1936, the only son of Gerald and Gladys Eckberg, in Seattle, WA. He grew up in West Seattle and attended Lafayette Elementary and James Madison Junior High. He graduated from West Seattle High School, in 1954.

He met his future wife, Layne Miller, while working as a lifeguard at Colman Pool. Ed and Layne married in 1959 and went on to have three daughters, Kari, Sheryl, and Erika. Ed graduated from the University of Washington with a Business Administration degree. He worked his way up at Seattle First National Bank to eventually become Vice President. In 1974, he and a long time friend purchased an apple orchard in the Chelan/Manson area. Ed and Layne moved to Manson permanently, in 1989, and spent many years lovingly improving their property on Greens Landing Road. Ed loved swimming, boating, skiing, hiking and snowmobiling. He enjoyed many active trips doing the things he loved to do.

Ed's faith was an important part of his life. He spent years attending Bible Study Fellowship and attended Living Stone Church in Chelan for many years. Ed was kind and generous with family and friends. He will be greatly missed by his wife and family. Ed loved Jesus and his family are confident that Ed is resting in His presence now.

Ed leaves his wife, Layne; and daughters: Kari (Steve), Sheryl (Brian), and Erika (Coley). He had seven grandchildren: Matthew, Aaron, Tizita, Jacob, William, Molly, and Weston.

Precht Rose Chapel is assisting the family with services. A private family graveside service was held.

“ *My condolences to the family. I knew Ed well back when he was with the SFNB credit card department as he was close friends with Dick Jaehning for whom I was executive assistant.*

“ *I first met Ed in the early 1970s when he was the bank card manager for Seattle First National Bank. He was, and continued to be, a person with great leadership skills and was known for his integrity, honesty and concern for others. I learned a lot from watching him and working with him. When he left the bank to go to Manson (wherever that was!) he left an amazing career and many good friends. He was well respected. Later, when I moved to Manson, I rediscovered him and we became, once again, good friends. He was insightful, wise, filled with integrity and generosity. I'm saddened to see his passing but I know the angels are rejoicing to have him home.*
