“ *I was deeply saddened to hear of Elsa's passing. She was a very special person, whom was always considered to be a part of our "extended" family. I will cherish the special memories I have of Elsa. From her love of all animals to her undying love for her husband and her determination to carry out his wishes, her courage, strength, and determination remain truly inspiring. Her presence will be missed by those of us who were fortunate to have known her. Offering my deepest sympathies to her family in Uruguay. Julie Cavadini-Symonds*
