“ *Ethel, fondly "Hunk," was one special lady. She was always smiling and radiated happiness all around her. I remember her from the time a was a small child on a wheat and cattle ranch east of Mansfield. On the few occasions we kids got to go to town, we might see her and after Bernie and I returned to Wenatchee, we would see her often at Campbells. She never failed to recognize us and share what was happening with us. I am so sorry I did not know of her passing. I would have been pleased to attend her services. Keep her in your hearts and minds as the days and years pass. It will always bring a smile to remember the good times.*

“ Ethel was a one-of-a kind woman who will not be forgotten. She and I worked at Campbell's together for several years, and I have such fond memories of those times. Ethel's had that quick-witted sense of humor that always kept us in stitches and made our work together so much fun! I admired her tenacity to drive to Chelan, despite McNeil Canyon in the dark, to come to work. I don't think she ever missed a day! Ethel was so proud of her family and told stories of every success with great affection. She embraced life with gusto! I feel fortunate that I saw her a few years ago and was able to tell her how much I had always admired her. I will not be able to attend her memorial because I am vacationing out of state. Please know that my heart is with you as you celebrate Ethel and her amazing and accomplished life. Lesley Van Over
