“ Zeke was a sweet little boy and he still is up there in heaven i just know it little Zekers was such a joy to have around and i wish i would've taken more time on the kabota with him of helping him ride his bike or listening to his crazy stories, but im glad i had the time to spend with him that i did i love Zeke still even now that hes gone, and i share my love and condolences for you guys and a memory. Every time Zeke saw me he'd immediately run and hug me and he'd then say "Aeva can i show you y new ninja move!?" and i always said yes because even though almost every time it was the same i loved seeing that warming little sweet happy as heck smile on his face when he finished his little move and i would say oh my gosh that was so good. Zeke was a joy in this world with his personality and heart. and im so sorry that i hurt my best friend so much that i couldn't be there for her and i cant now and that's okay but if shes reading this i want you to know i love you more than anything and in my heart you will always be my sister even if you don't talk to me and im sorry... I love you all so much and im always here for all of you!
