“ *What a wonderful woman who possessed such personal and unique talents. I loved her personal hand made cards designed with her lovely art. I still have them all. They will be cherished, and continue to shine your beautiful life every time I revisit each one. Heaven is so lucky*❤️

“ *I'll never forget the day I met Georgia, when she waltzed into the then-small Habitat thrift store, looking like a ray of beautiful spring sunshine! I loved her that instant. What an amazing wonderful classy interesting outspoken woman! My condolences to the family and so many friends. Arlene Abbott*
