“ *I first met Jerry many years ago when he was working for Grover Collins from Bebee Packing shed . Jim Pease introduced me to him.. As years went by I would run into Jerry at the warehouse office in search of info about trucks and their routes on county rds. He was loading foreman for the fruit at that time . He was always in a good mood and would laugh about the most serious things. I asked him what he was going to do after retirement from there and he said I won't ever retire, I have to stay busy doing something. He was a good man to know and I will miss his smile and quick wit.*
