“ My sympathies to you all. I only knew Gloria for maybe a year when i joined a yahoo group that she was a member of. She made me feel at home and we shared many laughs and prayers together during that timer. Upon knowing of her illness and passing, it made me so sad knowing i would not be able to commune with her anymore on this earth. A limb has now fallen from your family tree..But listen, her voice must be saying do not grieve for me..Remember the best times, the laughter and song...the good life she had with you all when she was strong..Her body is now healthy, her soul at rest..How often she talked of her family and felt so blessed..You will miss her dearly but but rise up within...The day is coming for the family togetherness again....
