“ *I just learned of Glo's passing some almost 3 years later, and I'm sadden that a wonderful, kind and sweet person has left us so soon. I will always remember the 5 1/2 years her and I shared our cubicle together. We both made one another laugh each day.*

God bless you Glo-bug (Remember Fishing in the dark?)

Love you,

Rich & Larry

“ *Some people come into our lives, leave footprints on our hearts, and we are never the same. I worked with Gloria at GTE. Enjoyed her laughter and wit. I am sorry for your loss.*

“ *Gloria was such a bright and happy part of my childhood and growing up. She was full of fun and smiles. I can still hear her husky and infectious laugh! I believe that everyone if the class of '71 counted her as a friend. My heart goes out to her family.*

*I am very sad to hear of Gloria's passing. We worked together at GTE
in Coeur d'Alene many years ago and I considered her a good friend. I
will always remember her great laugh. She was a very kind lady and I
will always smile when I think of her. Linda Costello Boyes*
