“ *Dear Family -- I was your Grandma Ethel's clinic nurse & every time Gwen brought her in, she had a wonderful smile & happy countenance about her. She was a "direct" type of person so you certainly didn't mistake her meanings! I always checked her driveway as I entered town to see if she were home & to say "hi"! I know you will miss her but remember your happy times with her and be thankful you had such a great experience with her. Lovingly

“ *Ed, so sorry to hear about your mom, what a beautiful video tribute to her. She certainly was a beautiful women and mother. My sincere sympathy.*

*Janey would also like to wish you her condolences. She mentioned your mother was a very kind and generous woman. We both are thinking of you.*
