“ *Laura and John and Family,
You were among the blessed to have such a good mother, Laura. I remember her hospitality when I would go home with you to Des Moines during the early years we taught school together. she was a great "garage saler" She gave me some of her treasures, a little children's china tea set with fanciful gnomes on it. I used it in my own Anna's childhood. I have a big industrial stainless steel mixing bowl I use frequently, think came from her via you when we shared a kitchen many years ago. I know you and the gift of your friendship and that in large part came from your mother. Some fine Eternal Day I will thank her myself, but for now I can tell you, "You mother was a lovely person, I am glad I got to meet her."*

Sara for all the Mahood Family*
