

## Helen K Clements

August 31, 1920 - May 15, 2018

Helen Kaye Clements, 97, of Manson, Washington died May 15, 2018. Born in Wenatchee, August 31, 1920 to Walter and Mable Munch, she attended Wenatchee High School, graduating in 1939. Afterwards, she earned a degree from Wenatchee Business College. Helen grew up on the shores of the confluence of the Wenatchee and Columbia Rivers. Helen married Cecil N. Clements of Cashmere on September 19, 1942. They resided in Seattle until 1945, when they moved to the shores of Lake Chelan. Here they built a home, which expanded as each of their four children arrived. She and Cecil started their own business by purchasing a small apple orchard in Manson until 1993. Helen and Cecil then added an additional orchard in Manson and one in Brewster. During the winters, they enjoyed vacationing in the Hawaiian Islands.

She actively worked to improve her community as a founding member of the Muscular Dystrophy Guild and Manson PTA.

Helen loved to be surrounded by the laughter and conversation of family and friends. Many came to her home for countless gatherings of cousins, extended family and friends of four generations of Clements. Always with a watchful eye, 70 years of dangerous stories on the lake compounded into warnings every time a family member took out the boat.

All will remember Helen's welcoming demeanor, ever-smiling eyes, her homemade pineapple ice cream and delicious apple pies.

Helen is preceded in death by her husband Cecil Clements and sons, Dick

Clements and Jim Clements. Having lived a full and rewarding life, she is now in a better place with them.

She is survived by daughters Susan Bennett and Kaye Forsberg with her husband Fred, daughters in law, Marietta Clements-Hobbs and Christine Clements and seven grandchildren with their spouses; plus 10 great grandchildren.

Graveside services for Helen will be Saturday, June 9, 2018 at Chelan's Riverview Cemetery.

In lieu of flowers please donate to Guild E or Manson/Chelan Senior Meals.

“ *Remembering great aunt Helen's loving heart, sharp sense of humor and irresistible laughter.*

*One of my recent memories of Helen was sitting in her great living room, looking out over Lake Chelan, talking. I loved her stories. That day, she told me that the week before she had seen a bald eagle in a tree right in front of the house. We talked about the bird life at the lake and the beauty of nature there.*

*That is the image of Helen I will hold forever in my mind: Her sitting patiently looking out at the lake, watching over everyone and everything, maybe telling a story or two.*

*I will miss you Helen, and yet, feel that you may be watching over us, still.*

“ My favorite of aunts, Helen was Mom’s second set of eyes at the lake. I knew I couldn’t get away with anything around her – – including swimming out to the rickety old platform by the mill! She probably saved my life on more than one occasion. I’ll miss that ready smile and loving spirit but know she is in the company of her three favorite men. God speed, Helen! Patti

“ I met Helen in 2006 when I was working with Susan, every time I visited at her home she made me feel like I was a part of her family. I found out she loved peanut brittle and I tried to bring her some whenever I could, and to see her face light up was awesome! I will miss her!
