“ *Jack was my uncle , My mother's brother. I have lots of fond memories of him and his funny jokes !!! He used to make me and my sisters laugh when he would come and visit us . One summer he drove from Mansfield to east Wenatchee almost everyday to see me my sisters and mother. I looked forward to him coming to our house . He taught me how to make hash browns that summer too . There was this song that would play on the radio every time he came over and he would dance to it he was a funny man ! Thank you uncle Jack for being such a cool fun uncle love your niece Tracy*

“ Jack McLean and I were friends for 63 years. Our friendship started off a bit rocky, as we were both sweet on the same girl. There are a few people on this earth that I consider as true friends, Jack was on that list. We didn't see each other much in the last 20 years, usually at the Mansfield play date. When we did, it was as if the years and diminished our friendship one bit.

Jack's sister, Jean Hanford (Bernie) is a cousin by marriage and his sister Barbara McGee, or as we used to call her Maggie, was one of my favorite high school teachers.

To all the McLean family, my deepest and sincere regrets and condolences. Hope to see you all on the 20th. Kent (Sonny) Mumma

“ Jack was a friend for almost all of my life, for more than 75 years. All through our school years he was one of my best friends and was in my wedding party. I will miss him.
