“ Jack was one of my true friends in boat racing. Our relationship spanned almost 50 years. He was a true gentleman and an exceptional pilot. We used to get together in Sacramento when he flew private charters up to the capital from SoCal. I was unaware he was in a nursing home in Washington State. It has also been several years since I saw him in San Diego at the race. I hope to find out when his services will be held. He is held in high regard throughout boat racing. His driving career spanned several decades and teams. I am sad to learn this and hope to catch up with his family. God Bless you, Jack. RIP!

“ Jack was the greatest father a girl could ever have. The absolute best. He was the life of the party and everyone loved him. The world is a little less bright without him. I love you forever Dad.
