“ *To June and family, Jim was one of the finest men I have had the opportunity to be friends with. You might not know it, but I called Jim "Chief Eagle Eyes, for his ability to hunt down a golf ball. I spent many beautiful mornings golfing with Jim at Alta Lake between 1994 and 2003. We enjoyed playing golf at a fast pace, with Jim using his time to look for golf balls, I believe I still have a few of those that I bought from him some time ago. One of Jim's rules for playing golf is that it had to be above 40degrees, so in November we might have to wait awhile before we teed off. One of Jim's favorite sayings when he putted one that was a little short of the hole was "should of had one more of June's pancakes". June you were always on his mind and I can attest to those great pancakes. Spending time with friends on the golf course is one of my fondest memories of Jim, and it truly was time well spent. Jim was soft spoken, caring and energetic. He talked about his love for his family and his dedication to his job in Omak, I learned about the real priorities in life, family and providing for family, Thanks Jim you will always be with me in my heart.*

Your friend,

Greg Mooney
