“ Jim, I loved you completely with my whole heart. When you asked me to move from Seattle to Wenatchee, there was never a moment of hesitation. I forgive you. And because of you I would not be the Man I am. When I tell a funny story, even if I don't look good at the end. I tell it anyway because you taught me to laugh at myself and my mistakes. Thank You. Jimmy was the nicest man in town!!! I had many opportunities to enteract with him on a business level but more importantly on a friendship level. He always impressed me with his "glass full" attitude and his undying optimissum-just look at his face!!!

I miss him now and will remember him always!!
