

James Wick

June 12, 2001 - August 28, 2024

James Andrew Wick, 23, of Mansfield, WA, passed away Wednesday, August 28, 2024 after a long and brave battle with Muscular Dystrophy. He was born on June 12, 2001 in Brewster, WA, to Brian and Michelle Wick. James attended Brewster Elementary School, until moving to Mansfield in 2010, where he finished his schooling at Mansfield Schools graduating in 2020. James loved being with his classmates and was a charter member of the Mansfield Dungeons and Dragons Club. He liked listening to hard rock music, reading Anime, playing on-line games, and visiting with friends. In his younger years, he enjoyed fishing, camping, and being outdoors. He even hunted and harvested his own deer. He loved his family, especially hanging out with his sister. James just loved people, being around his family and friends, and being part of the fun.

Muscular Dystrophy changed everything. It made everything more difficult and challenging, indoors and outdoors, in-school and out-of-school, at home or away from home, everything changed. But James never complained about his situation, although he would get frustrated at times. He faced the battle and fought the best he knew how. He was a great example of strength and dignity for us all.

James is survived by his immediate family, Brian, Michelle, and Megan at the family home, plus many more family and friends whom he loved and who loved him.
