“ Jane was part of our family for many years. She was an incredible cook, kind, accepting, and caring to me and my brothers. I can still hear her laugh. She was good natured and phenomenally giving. And, what a hard worker!
I'm happy to know she was able to spend time with her daughters and their families later in her life. Thank you, Jane, for all you did. I know I speak for my brothers too. God bless.

“ I extend my heartfelt sympathies. Jane was truly an extraordinary individual, possessing a consistently kind and generous heart. Her love for her family surpassed that of anyone I've ever known. The radiance of her smile and playful smirk never failed to illuminate any room. I am convinced that she is now in a heavenly realm, cooking up a storm and sharing delightful moments with those who have gone before her.

“ *Jane was my wife Suzette's best friend ever. I often said over the ten years we knew Jane that meeting her was the best thing that happened to us, along with meeting her great extended family. Suzette and Jane did so many things together, laughing, cooking, baking; Jane even taught Suzette how to make a martini. I won't soon forget dancing, (a generous description from my side) with Jane at the speakeasy mystery dinner party, following a sidecar or two, to the best of my recollection.*

A special, spirited, genenerous woman. She was a gift to us and the community here in Chelan, to have known and loved Jane. Special person. She was always on the go and up for everything. She will be missed; never forgotten.

Jane was so much fun to be around. She always had a smile and a quick joke. We had so many fun times, making lemon basil martinis, lunch out, yes and working. A very special spirit she was. She will be missed, and never forgotten.

“ *I want to express my heart felt love and appreciation to say that this incredible woman was my best friend and mentor to me. All the years that i got to know her, and spend so much time together, there aren't enough words to express my love and admiration for her. We did everything together ! You name it, we did it ! I could hardly keep up with her ! I will cherish every memory, every adventure, and every time we were together. She had a heart of gold. She was always the first one to come to the need of someone, be it cooking, or spending time with them, she was there. She raised 5 amazing daughters, each of them reflect who their mother was...strong, compassionate, caring, and loving to others, like their mother. Each an asset to this community. I am honored to be included in this amazing family. I will close with this..i love you my friend, i will remember all our times together and thank God he gave you to me. I love you...forever.*
