“ *So nice to see all these great memories that Janice made, trips with friends and family great to see Janice enjoying life. Seeing these pictures and the smile on Janice face makes me wonder if Janice even once gave a thought to the life Janice ran away from and could not get far enough away from. I do understand your life choice. I just wish i could of understood your need to leave your two children. I am sorry but a letter every birthday and a cheque for \$25 just does not cut it when you are in desperate need of a father to talk to.*

“ *I lost my Heart On Tuesday. And that mischievous smile that would light up a room. The room is darker now that you are gone. And the house too quiet with out your laugh. I miss you with all my heart.*

Beth, I just watched this video and am so sad that I never met Janice. I know how special she was to you and I think we would have become friends if our paths would have crossed. She seemed to be such a happy lady and obviously shared your love of animals and the outdoors. Her smile was beautiful.

Beautiful vidio. It looks like she had a great life with lots of love surrounding her. We should all be that lucky. We did not know each other well but you were in my thoughts. We will miss you
