“ *My deepest condolences for the loss of your loved one. May God's promise that mourning or any pain will one day not exist any more, at Revelation 21:4. (A better place)*

“ *My heart goes out to all who treasured JM's humor, wit, intelligence and compassion. I will dearly miss him, especially when I walk into the Vogue and he won't be sitting there with his coffee cronies discussing engineering challenges and ways to positively change the world. Rest in Peace wise soul.*
