“ *Rick was a very important part of my life for 10+ years. I've always regretted that our marriage was not salvageable. RIP Ricky, praying that you are in God's hands and happy again*❤️

*I've only known Rick for five years, but he always showed such great love for his sisters and really enjoyed being in this area to be close to them again. I worked with Julie helping Rick with his health insurance. He was so grateful to have her caring love through each year of insurance changes. The entire family has been a joy to work with through the years. I will miss his gentle smile.*
