“ *We are so shocked and saddened to hear of the loss of John Wall. The Parsons/Maehlum Family as a whole send their thoughts and prayers during this time. My parents were good friends of John and respected all that he did! We hope if there is anything we can do to let us know! I, personally, enjoyed their friendship and support during the past years. Love in Christ, Heather Parsons Maehlum for Heather and Keith, Wyatt and Buck Parsons.*

We are saddened by this hard loss...John Wall, with his sterling character, honesty, integrity, humor, forthright ways, strong love for Christ, family and community, will be greatly missed by many.

In addition to being a beloved community member, he is counted as one of Chelan county's most honorable commissioners, whose long faithful service was a blessing to numerous people in all stations of life.

We send sympathy and love to you, his dear family. You were the "apple of his eye" and we pray God's comfort for each of you during this time.

Please know that our lives have been enriched by knowing John...he will be missed!

With deepest sympathy, Bud and Sandi Boswell
