“ Joy was a great friend to my Mom when I was growing up. She even taught Mom how to drive. As Her kids were friends to us I have fond memories of all of them. My Dad lay dying in the Brewster Hospital in 1972 and Joy came to sit with Mom and I because Mike had told her we were alone. Joy even spent the night with us after he passed. Joy was always fun, kind and a hard worker as I remember. She loved her family unconditionally and will be missed greatly, May she be at peace.
