“ *I will never forget the look on his face when he bit into a cupcake my son made and found it had pudding inside..boy did that boy like his sweets. Kevin always had my back at work..I could always count on him.*

As we grieve you leaving this world may the Angels celebrate your arrival...I will miss you my friend.

“ Kevin sat next to me In health class in highschool. He was a grade below me but you couldn't tell because of how brilliant he was. This kid made every class enjoyable. He was by far the nicest person I've ever met. He was so nice, caring, and friendly. Even after I graduated I always enjoyed running into him at his job, and just catching up. I'm really going to miss Kevin. May his soul forever rest in paradise.
