

Leonard L Little

April 29, 1932 - October 2, 2017

Les was one of four sons and five daughters of Ruth Ann Wilkins and Ross Leonard Little.

He has left the loving embrace of his wife of 65 years, Glennes Lee Little (nee Carberry) whom he called "Pete". He has given many kisses and hugs to his children Len, Ben and LeeAnn; to his many nieces and nephews; to his nine grandchildren and their children.

His parents, nine siblings and many a dear friend have predeceased him. He was a man's man and a gentleman. He had an awesome sense of humor, was strong willed and was a big hearted proud family man, Marine and Seahawks/Mariners fan. He was a trustworthy mechanic who could repair or operate any heavy construction or lighter vehicle/equipment. He could also complete almost any electrical, carpentry, masonry or landscaping construction task.

He had a broad range of adventurous and challenging life experiences, not the least of which was the loss of his father at the age of eleven and serving in the Korean War as a teenager. He loved the U.S. and particularly would have loved more Alaskan experiences. While happy to stay a Washington resident most his life, he always kept his ties to Oklahoma and his family there.

We are comforted with the knowledge Les is now with his many other dear

friends and family members whose company he has dearly missed and his spirit will join in joy with ours again someday.

The family would like to say a special thank you to Dr. Waskewitz and Stephanie at the Lake Chelan Clinic for the exceptional care, comfort and friendship they provided the family for many years.

Viewing is available Friday, October 6, 2017 from 3-7p.m. at Precht Rose Chapel (332 East Woodin Avenue, Chelan, Washington). “ I have known Les and Petey since 2001 and immediately was struck by how much Les and Petey LOVED each other. Les always called her "Sweetie" or Honey" and he always had a smile on his face, no matter what. he was very proud of his job as a construction-traffic person and driver which reminded me of the saying, "There are no small jobs, only small people." He was so careful to always be kind to people. In the last few months of his life, he remained cheerful and Petey kept her love and optimism strong also. They are amazing people and I am honored to have known them for so many years. My heart goes out to Petey and their loving family.

“ My condolences for the loss of your dear loved one. According to the Bible, man was created perfect, with the prospect of living forever. We know that sin entered into our lives causing death and many of man's woes. What then? The Bible at John 3:16 tell us that eventually mankind will be freed from aging and death. There we will reunite and live forever.
