“ *Liesa and I were classmates from Kindergarten to High School. I had surgery when I was in first grade and I remember that she made me the most beautiful card. She also had family in The South and brought cotton back to show the class. I have many fond memories of you Liesa. You will make Heaven shine a little brighter for your presence! Warmly, Tiffany (Farnsworth) Nash*

“ *My heart goes out to the Barnes, Tackett and Moore families on the loss of such a kind and loving woman. I know her family will be lost without her. I will miss seeing her cheerful face.*
