“ *I have so many fond childhood memories of my time spent at Grandma Lu and Granpie's house. My sisters and I grew up in Manson and would occasionally ride the school bus a few extra stops to their house after school. I remember chats with Grandma Lu while she did laundry. Stealing cookies out of the cookie jar. Cable TV (which my family didn't have, so the Disney Channel was quite a treat) and last, but not least, the magnificent walnut trees behind their house where I got to play with sisters, friends and cousins. I also remember my sister Marta and I having a sleepover at their house while our youngest sister Elli was born. Christmas mornings with the Crowells. Cousin sleep overs with Chance. The list of memories goes on. It was a pleasure to grow up so close to the Crowell grandparents and these memories will live on forever.*

Great that y'all had grandparents nearby; mine were in Michigan, so saw them very little. Now your grandpa Harold has passed away. I am so sorry for your loss.

“ We would like to offer our sincere condolences and prayers for Aunt Lu. The one time I met the Family was when my Parents, Carl and Sarah Roth sent me on a 2 week visit. You were living in Philadelphia at the time. I had a wonderful time and the girls were very kind to me. As was Aunt Lu. It's a memory I will always keep. and enjoy.
